

Dear Wellness Plus and Bead Society Friends -

As you probably have heard by now, Gov. Carney has issued a stay at home order for Delaware, to last until May 15 or until the current Covid-19 crisis has passed. This order was accompanied by a list of essential business types that may stay open, and their customers may still visit them. It went into effect at 8 am on Tuesday March 24th.

There is no listing for a business exactly like ours, but it does say that health retail stores may stay open, but all businesses that offer classes must close. Therefore, until we hear otherwise, Wellness Plus will be open for store business only, on all Thursday nights from 7-8 PM, including the first Thursday of each month. We will not be open on Monday nights, and we will not be able to offer exercise classes or natural healing workshops on Thursday nights. We are not allowed to open the bead store or hold any beading events.

In addition, we will offer each Wellness Plus member household the opportunity to place one order each month (starting in March) by phone or email, and we will ship it to you free of charge. The only product we will not be able to ship are the frozen cherries, which you may come to pick up. Additional orders in each calendar month will include shipping charges.

We are also developing some classes that will be presented online, and further details will be coming.

We are fully supportive of the Governor's order because it will quicken the end of this pandemic. Please continue to practice the tips you have learned about social distancing, hygiene and healthy lifestyles and we are all determined to get through this difficult time. Please do not hesitate to contact us if we can be of assistance.

Best Regards,  
Chuck and Jane Powley  
Wellness Plus Delaware  
Delaware Bead Society
