

Dear Wellness Plus Members and Friends -

Thank you for having faith in our Wellness Plus philosophy and sticking with Wellness Plus healthy lifestyles. You are all doing a great job with your health in this difficult time, as evidenced by the fact that, to date, all of our members and their families are healthy and well, while so much of the Covid-19 virus and disease is going around. We are also grateful to Jenny Hsiao and Betty Talley who are working so hard to provide essential product service to our Wellness Plus members.

According to the current Covid-19 mandates, we must extend the April store-open-only for another month. Please see the store hours in the attached calendar.

Also, please note that our product and price list is on our website at <http://wellnessplusintl.com/wp-content/uploads/2020/04/Wellness-Plus-Price-List-4-9-2020.pdf>. Note: we continue to offer each Wellness Plus member household the opportunity to place one order each month by phone or email and we will ship it to you free of charge. The only product we are not able to ship are the frozen cherries, which you may come to pick up during store hours. Additional orders in each calendar month will include shipping charges.

If you did not notice the good news about free face masks for all Wellness Plus members, here it is again:

Face masks for all Wellness Plus members - FREE! Handmade with love by our Dr. Chuck Powley's mother in Arizona. 1 mask per each membership household. Can be picked up on Thursday's store hour (7-8 pm) or can be shipped to you with your next order.

Please continue your good work to protect yourself and your families. Remember, the virus alone cannot cause diseases; your immune systems play big roles in whether you get infected. You can always do the right thing by enhancing your immune system.

Be safe and well. Please do not hesitate to contact us if you need any additional help.

Best Regards,
Chuck and Jane Powley
